No. 1, 1989 - March

Dear Member,

Our Association's 38th Annual General Meeting and Luncheon will be held on Sunday 16 April at the Mandarin Club. Full details about the meeting are to be found in the centre pages.

Membership Subscriptions of \$5.00 became due on 1 January last and for those of you who have not as yet paid would you please send your subscription direct to our Treasurer, Bill Johnston, whose address is shown above. The note on the last page titled "**ARE YOU IN THE RED ???**" indicates your financial standing.

For those members who change their address please notify the Secretary or Treasurer without delay because sometimes we receive a number of issues of Una Voce marked "RETURN TO SENDER" before we are notified by the member of his/her change of address. This means that the member concerned gets out of touch with our Association, it is very frustrating for those who work so hard to get Una Voce to you on a regular basis and a waste of money because we have to pay for those copies that are returned. It is also our experience over a very long period that you cannot rely on the post office to forward your mail on for more than a week or two.

EDITOR UNA VOCE

As advised in our last issue, Fred Kaad is overseas for an extended period and your President is filling in as Editor for the time being so please be tolerant until I learn all about it! The assistance of any member with journalistic expertise would be very much appreciated, either to assist in the production of Una Voce, or to take over as Editor.

THE 1986/87 2% DISCOUNTING ON OUR SUPERANNUATION.

Those members who are superannuants are no doubt, like myself, most concerned and angry about the compounding nature of the discounting. The longer it takes to restore the discounting the more disadvantaged superannuants will be. The Prime Minister, at the time the cut was made, stated "the Government will legislate to restore pension levels as soon as economic circumstances permit".

We believe that economic circumstances have now improved to the extent that restoration in the 1988/89 budget would be justified. Last year there was a

significant surplus in the budget, it is predicted that there will be a substantial tax cut to operate from the 1st July 1989 and there will be a significant increase in real wages for the working population when the current negotiations and hearings with respect to award restructuring is completed.

The following is an extract from the January 88 SCOA (Superannuated Commonwealth Officers Association) Bulletin:

"It appears that the Federal Cabinet would like to renege on the PM's promise to restore the 2% cut made to our superannuation in October 1986 but by all accounts the Federal Caucus (which includes many members holding marginal seats by slender majorities) is not prepared to sit back. On 1st November last Mr Ted Lindsay (Member for Herbert) moved in Caucus that the AGRBO and DFRB pensions be increased in the 1989-90 Budget to compensate in full for the 2% discounting of the 1986 indexation increase. This motion was passed."

SCOA has again written to the Prime Minister concerning the matter and we are doing likewise. We are also writing to the Leader of the Opposition and the Shadow Minister for Social Security. In addition, we strongly recommend that members, who were affected by the 2% cut, write without delay to their local Federal Members of Parliament condemning the delay in restoring the cut, commending the Federal ALP Caucus for its decision on the matter and requesting their member to make every effort to ensure that the Federal Government compensates superannuants in full for the 2% discounting in the 1989/90 Budget. If you are writing to Members of the Coalition, you should ask them to request the Leader of the Opposition to declare in Parliament the Coalition's position on the discounting should they win government.

TAXATION

In the past, superannuants have been required to lodge with the Commissioner for Superannuation before the end of July each year, an INCOME TAX INSTALMENT DECLARATION, if they wished to claim general exemption and/or dependants etc. rebates. In recent years, if you had lodged a Declaration in, say, 1985 you were not required to lodge a new one unless circumstances changed from one year to another. If you had never lodged a Declaration, your fortnightly super was taxed on the whole amount without any exemption or rebate being taken into account.

However, please be warned that the system is changing. You are required to complete and forward before 1 April 1989 to the Commissioner for Superannuation, PO Box 22, BELCONNEN ACT 2616 an EMPLOYMENT DECLARATION which at Question 8 requests your **TAX FILE NUMBER**. Don't let the title of the form fool you, all superannuants, as well as employees, are required to complete one.

Your Tax File Number is usually shown on any papers sent to you by the Tax Office.

If you have a Tax File Number but cannot find it—

If you do not have a Tax File Number—

If you are not sure if you have a Tax File Number—

You should fill in a Tax File Number Application/Enquiry form from a Post Office immediately but you also must still complete and forward an Employment Declaration.

I understand that the Commissioner for Superannuation is forwarding forms to all superannuants but, if you have not received one by the time you receive this issue of Una Voce, I recommend that you immediately obtain an Employment Declaration form from your local Post Office. You should then complete the form and forward it as soon as possible to the Commissioner for Superannuation at the address above.

If the Commissioner for Superannuation does not receive a completed Employment

Declaration form from a superannuant by 1 April he is required to tax that person at a tax rate of 50.25%. Under the current system if the Commissioner receives a late declaration he is empowered to make a retrospective adjustment if necessary to a subsequent super payment. Under the new system, the Commissioner does not have that power and any subsequent adjustment can only be made by the Tax Office. This could take weeks or even months, so **be warned and do not delay in completing and forwarding your EMPLOYMENT DECLARATION forms to the Commissioner for Superannuation.**

We now have three Mrs N. Watkins as members and one of them, at least, is having more than a few problems with her mail. The following, I hope will clarify the issue:

VISIT TO BLUE MOUNTAINS

We propose making another visit to the Blue Mountains on Monday 22 May 89. Would those persons interested please contact Doug Parrish (02.467.2966) or Ted Hicks (047.54.1709). The return trip by train costs \$2 and most people travel that way. Irrespective of the weather it is a very pleasant day's outing.

HELP WANTED

Madge Ormsby, Ralph's widow, is keen to complete a journal concerning her late husband. In a letter to our Treasurer, Bill Johnston, Madge writes "Could you mention to the Honoured President and Vice-President that I am endeavouring to place RGO in time slots. May I ask their help?"

We will certainly help, Madge, but could you please supply us with more detail with respect to the type of information you require.

In the meantime, any member who considers they may be able to help can contact Madge as follows: Mrs. Madge Ormsby, The Rocks, 1/11 Howard Street, Gawler. SA 5118.

Roland (Roly) Samson.

Roly was a Patrol Officer in Namatanai, New Ireland District, around 1962. Would anyone knowing his present whereabouts please contact the Secretary of our Association.

HAVE YOU HEARD.....?

Anne Anderson of Balgowlah NSW had her 89th Birthday last year and we have just heard about it. Anne is still going strong and we wish her many more healthy and happy years to come. Her late husband worked pre-war in the Government Printers in Papua and retired in 1941. He passed away in 1974.

HAVE YOU HEARD.....?

Harry and Grace (nee Cuthbertson) Jackman are back in Angaston. They describe 1988 as their peripatetic year. They left in April for the U.K., West and East Germany, France and Holland. "In Britain, just about everyone was polite Some French people were polite; most make no bones about being Anglo-phobes." They were most impressed with the economic recovery and rebuilding of cities and monuments in West Germany. They found few over 60's repentant over the war, but amongst those born since the war they found no desire for a return to totalitarianism. "Life in the GDR has few frills but there is no unemployment The people with whom we spoke had one big complaint: having to wait up to 7 years for a car (1945 Ford standard) after paying the full amount." Returning to Australia they write: "....it is unencumbered by the traumas and hatreds of the past. May it ever remain thus!"

Roma Bates writes: "I guess all the B.4's remember James MacGregor Dowsett and his charming wife Jess. Recently I had an update on my spasmodic contact with the Dowsett family when some of them came up to Sydney for the wedding of J. & J.'s granddaughter Sally Morris in February. Sally is the daughter of Jean and David Morris of St. Ives Jean being the eldest of the Dowsett family. James MacGregor and Jess (now in late 80's) are living in "Culcairn" a Retirement Home in Belmont, Geelong. Alas, James is totally blind and Jess' vision is greatly impaired.....nevertheless they are enjoying their quiet life surrounded by and well cared for by their four daughters, two sons, 13 grandchildren and 5 great grandchildren. Daughters Ruth, Helen and Robin, sons Jim and Alistair are all married and living in Geelong. Jim Jnr. is working with C.S.I.R.O. and Alistair has retired from the Navy.

John and Chris Downie, after their return from Botswana, set out by caravan to visit the Hall of Fame at Longreach in the Central West of Queensland. Rains and floods stopped them at Blackall so they returned to Brisbane and the coast before returning to Sydney. People they visited along the way were:

- . Marcia and Jon Bastow at the Mountain Lodge, Mount Tambourine.
- . Bryan and Joy Beattie in Brisbane - their youngest son is now a solicitor - Bryan busy with Dept. of Fisheries - Joy with Veterinarian Association.
- . Bill and Estelle Johns - Bill Brisbane based flying for Flight West - Stell cooking as well as ever.
- . Tommy Degan at Isle of Capri, Gold Coast - Ex Mal/Ansett PNG Captain - very happy to see visitors. In recognition of Tom's contribution to Aviation in PNG the Radio Beacon associated with the aerodrome approach procedures at P.O.M. Airport was named The Degan Locator. Tom has recently been ill-treating himself by falling off his ladder, breaking his foot, slipping over and knocking himself out etc. etc. (should we say he is 80 years old!)
- . Stewart and Gloria Dowling, ex Copra Marketing Board, now living at Nerang.
- . Margaret and Heinrich Buthman, ex Brewo Motors at Madang, now at the Tweed - their three children have married and M & H are enjoying 5 grandchildren.
- . Margaret and Bob Fish at D.C.A. Charleville - Margo OIC Paddys Market Charleville.
- . Judy Vincin, nursing sister and welfare ex Highlands now living at Labrador, Gold Coast.

Ken and Rosemary Brown did not make it to our Christmas Luncheon because Ken had an operation on his ankle in November and could only hobble around. Do hope you can both make our AGM and Luncheon next month.

HAVE YOU HEARD.....?

Betty MacGowan writes from Darwin "Darwin has grown since "Tracy" and certainly no longer a small country town - I think I liked it better the way it was as Darwin has lost most of its character of the old days. It is a bit like Port Moresby was in the early 70's now."

Jack and Norma White arrived back from Spain in October 1987 and have changed houses to Duffy with more room to entertain friends. After 25 years offshore in PNG, Chile, Saudi Arabia, Fiji and Spain in which they enjoyed (?) 29 homes in 33 years of marriage. Norma "suggested" that they have the same house in Canberra and just travel and visit the interesting parts of the world! Jack continues with Austrade endeavouring to give away \$5 million a year to people with innovative agricultural ideas which generate new exports.

Have just heard that Bruce and Gladys Digby celebrated their 50th Wedding Anniversary last October. Our very belated, but nevertheless most sincere, congratulations and best wishes to you both, you wonderful people!

Sorry to hear that an old Territorian, Stan Pearsall, is not very well these days and regret that he is unable to receive visitors. Our very best wishes, Stan, do hope your condition improves.

Good to hear that Alby King has left hospital and has promised faithfully to make the trip down from Newcastle for our AGM.

Syd and Heather Saville have left Darwin as Syd has retired from the Public Service. They should be in Brisbane by now having travelled via Perth, Adelaide and Sydney.

Heard from Ian McMahon in the Seychelles who was to return permanently to Australia last November. Ian was persuaded to stay on to do some reorganisation and training, but I doubt if he needed much persuasion as he reports that the climate in the Seychelles is "really superb".

Carson (Kit) Atherton writes as follows: "My regards to anybody who had the misfortune to know me during my 26 years in PNG Administration. In a recent visit to Queensland, amongst my old PNG friends, I met one of the really old timers of the Administration, ex Health Inspector of Lae, including pre-war, Victor Bailey who is far from well. He now resides at Carrara, Gold Coast.

John Huon de Navrancourt (Atherton, Qld) presented a paper at TROPICON, the Australian Speleological Federation Conference, in Tinaroo last December. John's lectures and documents were based on his caving experience around the world, including the sickness Histoplasmosis, which he contracted in the West Indies 38 years ago. John's work with Public Health and the TB Department kept him interested in the research, with advice from his former Senior Officer Dr. Stan Wigley.

In February, John was also re-elected President of the Alliance Francaise d'Atherton Incorporated, a cultural association, (as he insists in pointing out) more multi ethnic than French.

Any members and their friends interested in experiencing a most enjoyable and COMFORTABLE return visit to P.N.G. may care to gain further information from Air Cruising Australia, Phone Toll Free (008) 25.2053 Kingsford Smith Airport Mascot NSW 2020. New data on the giant Lihir Island gold project shows that the deposit contains more than 42m ounces of gold, making it the largest deposit outside of South Africa and similar in size to Kalgoorlies's Golden Mile. Niugini Mining Ltd has announced that the construction schedule for the K730m development has been advanced and the first gold is expected to be poured at the end of 1991. P.N.G. TITBITS.....

The commercial prospects for the Hedinia-Iagifu oil fields in the Highlands of Papua New Guinea have been strengthened by the latest drilling success. Oil Search Ltd has announced a recent test with a reading of 3,726 barrels a day and 3.11m cubic feet of gas a day through a two inch choke at the well in permit area PPL100. Development studies for the fields have begun including a route survey and preliminary engineering studies for a 270km pipeline from the highlands to the coast. An offshore loading terminal is proposed. The encouraging result is a boost for the theory that the Iagifu and Hedinia fields are linked.

Papua New Guinea will soon have its first vehicle assembly plant. The plant will be set up in Port Moresby. The project will have an initial start up capital of K1m but a further K3m will be sought offshore. The plant will be built on a section of land in Badili and is expected to produce between 25-50 vehicles a year and employ about 200 workers.

A K600m timber project, one of the biggest in the country, was about to commence operations late in February. The project covering 200,000 hectares is situated on the border of East and West New Britain Provinces. It will be developed by the Kimbe based Stettin Bay Lumber Company, pending Government approval. A spokesman for the company said K600m is projected for the development over the next 20 years. Development proposals include the construction of 18 bridges and the establishment of services such as aid posts, schools and airstrips. A 120km road link between Uvol in ENB and Gasmata in WNB is also being planned. A major reforestation scheme involving 15,000 hectares is also being planned.

A wood chip agreement has been signed by the South Korean company, Nam Yang Timber Pty Ltd with the Papua New Guinea Government. Requirements under the agreement include an environment plan from the company within 12 months, a timetable for woodchip production and reforestation. The project is at Kapuluk in the West New Britain Province and will involve the construction of a sawmill capable of processing 40,000 cubic metres of timber per year, a wharf and roads.

The Taxation Office raised its revenue collection by K28m in 1988. The Office collected a total of K263,203,000 in taxes for the year. This was 8.5% higher than in 1987. A total of K47m was collected in company taxes and K16m in dividend withholding taxes from the Bougainville Copper Ltd.

Max Orken remembers an attempt to persuade our migrant citizens to abjure violence and adopt "Australian standards and social mores".

In Victoria many years ago a southern European was found guilty of inflicting grievous bodily harm after stabbing a fellow migrant with a dagger during a political argument.

The judge, who was affectionately known in legal circles as "Silly Billy", as his main claim to eminence was not his legal knowledge but his membership of the first white Australian XI to tour England, delivered a compassionate homily to the accused. He extolled the glories of life in Australia and ended by saying: "Now remember, if you ever find yourself in a similar situation, fight in the Australian way, and never again use a knife".

He gave the accused a bond. The grateful man in the dock thanked the kindly old judge profusely in broken English, which moved the court with its sincerity. He then convulsed everyone, proclaiming he had wanted to fight in the "Australian way" but he couldn't find a broken bottle!

Ena LOWNEY (15 November 88)

Wife of late Edward Lowney who joined the New Guinea Administration in 1933 and retired as Administrative Officer, Lands, in 1967. Ena leaves a daughter Yvonne, 6 granddaughters and 10 great grandchildren.

Herbert William WALSH (6 February 88)

"Herbie" aged 63 years, had a long career with the Dept. of Public Health in Papua New Guinea, retiring in 1973. He remained in PNG for some time with private interests in Chimbu, Tari and Mt Hagen before finally settling in the Atherton Tablelands in North Queensland.

Many years ago Herbie and his wife, a nursing sister, were travelling on board the "Pearl of Sea" when the vessel caught fire and his wife was drowned. He is survived by a daughter Maria and two sisters in Victoria.

John Adrian McNair PRITCHARD Q.C. (10 January 1989)

In 1971 John was appointed a Stipendiary Magistrate in Port Moresby and from there travelled extensively throughout Papua New Guinea.

He was appointed Chief Magistrate in 1975 and set up the first Magisterial Training Service.

In 1977 John was appointed to the Bench of the Supreme Court of Papua New Guinea. He resigned in 1979 and took Silk in Sydney in 1983.

John served for many years in the Air Force Reserve and immediately prior to going to PNG had completed three years full-time duty in Vietnam, Malaya etc. He attained the rank of Wing Commander.

He is survived by his wife Rowena, sons Adrian, Jeremy and Stephen and grandchildren Kristy and Ewen.

William A. (Hookey) MORLEY (2 December 88)

Hookey went to Port Moresby in 1954 to visit his sister, liked the place and stayed, joining Posts and Telegraphs. He rose from the bottom rung to the top of the ladder in Postal Administration. On the way he was Postmaster at Madang and then Rabaul, before he became Assistant Director (Postal), the top Post Office job in P & T. Whilst in Rabaul and later in Port Moresby, he trained a local officer, Dale Kamara, to take his place before returning to Australia in 1975. Dale Kamara 6 years later became head of P & T.

Hookey was also an outstanding sportsman. He played Rugby League for both Papua and New Guinea. He played very low handicap golf and was Captain of both the Madang and Rabaul Golf Clubs. He and his wife Helen also took up sailing in their own yacht when they went to Port Moresby. Back in Australia he transferred his talents to Bowls and excelled.

Hookey leaves a widow Helen, son Scott and daughter Toni.

William Michael BURNS. (20 December 88)

Bill was born 8 June 1920 at Cootamundra and grew up in Caringbah, N.S.W.

From December 1940 to May 1946 he served with the AIF in 2/7 Australian Armoured Regiment and the Papuan Infantry Battalion. He rose to the rank of Captain in 1945 and saw active service in PNG at Samarai and in Bougainville at Torokina, Numa Numa and Soroken.

May 1946 he was appointed a Patrol Officer, serving in Central and Gulf Districts before transferring to the Royal Papuan and New Guinea Constabulary in April 1947, where he served until February 71. Whilst in the Police Bill was stationed at Port Moresby, Sogeri, Lae, Finschhafen, Goroka, Wau, Rabaul and at various times at Headquarters in Port Moresby.

Bill established the Police Training Centre at Goroka and in 1953 he was

V A L E

selected for tour of duty with RP&NGC Contingent to UK for coronation of H.M. Queen Elizabeth II. On the tour he was accompanied by Sandy Sinclair and Peter Broman. On his return to PNG Bill served for some 7 years as OIC Police Training Depot at Goroka. In 1962 he was appointed first Principal Police Training College Bomana. He then held various positions in Police HQ as Superintendent 1st Class and Acting Assistant Commissioner before doing a stint as Divisional Superintendent Islands Division at Rabaul. Bill finally returned to HQ as Senior Superintendent and retired 1974 to Caringbah, NSW. He was awarded the Police Long Service and Good Conduct Medal in 1969 and Queen's Police Medal for Distinguished Service in 1971. Bill is survived by his widow Barbara and children Vivien, Stephen, Dennis and Michael.

Father Raymond QUIRK OFM AM MBE (14 February 89)

Father Ray was the Parish Priest at Vanimo for a number of years before being appointed Army Chaplain at Murray Barracks in Port Moresby where he served for some 20 years before returning to Australia and being posted as Priest at Midlands in W.A.

He joined the Church as a young man and devoted his life to the wellbeing of his fellow man. He had a multitude of friends, not only in the armed services but the wider Papua New Guinea community.

He had a very special relationship with families, especially children and it is well known that he always spent a lot of his recreation leave in Australia visiting children of broken marriages. An indication of his tolerance and understanding is that he became a close friend to many of his friend's children.

Father Ray also played a significant role in the development of the Papua New Guinea Defence Force. His leadership, drive, enthusiasm and determination helped in no small way to overcome the many problems that occurred at that time. The Chapels of the Force are a lasting monument to him.

For his great service to the community and the Defence Forces Father Ray was awarded the Australia Medal and made a Member of the British Empire.

On 17 February 88 a Solemn Pontifical Concelebrated Mass was offered at St. Francis of Assisi Church, Paddington NSW, for the soul of Father Ray Quirk. The Mass was said by Bishop Brian Barnes of Aitape (ex Chaplain RP&NGC) together with a number of other Bishops and many priests. The army was well represented, including some four Major-Generals. Also present were many of his friends. The Eulogy was delivered by Major-General Jim Norrie.

Frank Alan CHAMPION (19 November 88 aged 83 years)

Alan as a young man trained as an engineer and became a ships engineer in Australia. In 1935 he joined an oil company in Papua and in 1936 joined the Papuan Government Service as a Patrol Officer. He rose to the rank of District Commissioner and retired to Australia in 1960.

Alan is survived by his widow Emily and a son Peter.

Vincent de Paul BLOINK MBE (30 January 88 at Sydney aged 77 years)

Vince applied for a position in PNG before the second world war but before he could be appointed the war intervened. He immediately joined the AIF from Cairns and was soon sent overseas. He was taken prisoner of war in Crete in 1941 and was not released until the end of the war. Most of his time as a POW was served in coalmines in Poland.

He was appointed an Operator-Compositor in the Government Printing Office in Port Moresby in October 46 and rose through the ranks to Government Printer

V A L E

in 1962. In this position he served until he retired in 1971 to Kenmore in Queensland. Vince is survived by his widow Dixie, daughter Lois, son Paul and 4 grandchildren.

David Raphael GOODGER (27 December 88 aged 59 years)

David went to PNG as a Cadet Patrol Officer in 1953 after teaching in rural Victoria and a brief period of service with the R.A.A.F.

He served his first term in the Central District where he met and married Margaret Gee. Their first home was in a "haus kiap" on the Sogeri Plateau where David worked on matters related to the Sirinumu Dam Project.

He then spent several years in West New Britain at Talasea, Mora Mora (Cape Hoskins) and Kandrian.

In the 1960's David qualified as a Bachelor of Economics and then held a variety of senior posts in the Departments of Trade and Industry, Labour and Public Works. Before leaving PNG in the mid seventies, he undertook a special assignment relating to RPNGC for then Chief Minister Michael Somare.

David is survived by his widow Margaret and children Michael and Kelly.

HAVE YOU HEARD.....?

Capt. J. H. (Frog) Evans ex Rabaul and 9 years at Madang as Harbour Master is walking again after six months on crutches with a steel plate in his femur (upper leg), having had a fall whilst showing a visitor the beauties of Samoan beaches. Frog, now 80, has put his name down for a sort of 'Australian Peace Corps' of experienced specialists (retired) who will go anywhere on no salary hoping that they might send him to Malaya! He hasn't changed, has he?

He sends his sincere salaams to Les Williams, Bob Cole, myself and others he worked with. All the very best Frog from us all.

ANNUAL GENERAL MEETING -

EXPLANATORY NOTES -

With respect to Agenda Items 8, 9 and 10

The Committee regrets that it has become necessary to recommend increased Annual Subscriptions because of the following: -

- (a) Increase in printing and distribution costs of "Una Voce" are currently in excess of \$4.00 per member per year;
- (b) Certain cost-saving facilities previously available to the Association have unfortunately now ceased;
- (c) To clarify the above -
Incurred costs, e.g. telephone calls (including STD), photocopying, stationery, postage etc. have been borne by committee members, but these costs must now be at the expense of the Association, and are estimated to be in the vicinity of \$1000 per annum. It will not be possible to give a detailed accounting of the costings until the expenses have been itemised covering a 12 months period;
- (d) Taxation on interest from investments has been charged at the rate of 49 cents in the dollar. The 1986/87 taxation assessment was \$1600 plus, and the Association has not as yet received the assessment for the 1987/88 financial year. The indication is that our investments are not keeping pace with inflation.
- (e) In reference to Life Membership, most organisations similar to our own have suspended Life Membership subscriptions because of the above reasons and owing to no provisions being made at the time of its introduction for the future and continuing inflation, also the longevity of the members concerned.

As a result, Life Membership has developed into a major financial problem for the Association which now has to be solved.

Many Life Members have realised this situation and over the years have been most generous in further donations to the Association.

After careful consideration the Committee decided that the only long term solution to the problem was to "unwind" the existing provisions for Life Membership and to deem the payments made by the present Life Members to be annual subscriptions, and - in certain cases - subscriptions in advance. (Refer Agenda Item 9.)
